Children of the Night is a privately funded non-profit organization established in 1979 with the specific purpose to provide intervention in the lives of children who are sexually exploited and vulnerable to or involved in prostitution and pornography.

From our headquarters, Case Managers provide children 24-hour services, 7 days a week. We rescue youth from pimps, help with medical services, public health insurance, social security/disability benefits, maternity housing, drug program placement, domestic violence, transportation, mental health services, psychiatric evaluations or access to psychotropic medications, advocacy with the courts, social workers, probation officers, resume preparation, job placement, access to vocational or trade schools or community colleges, applications for FAFSA (federally funded financial aid) - we are ready and willing to help.

Our FREE one-on-one tutoring program through ZOOM tutors sex trafficking victims for the high school diploma – the first step in escaping the streets. A high school diploma enables them to enter the military or work in support positions in medicine or law; attend vocational or trade school and even community college.

<https://www.publiclawlibrary.org/>

Includes information on California law and provides a service where you can ask a law librarian for legal information via a live chat. This "Ask a Law Librarian" service lets you chat live with a California Law Librarian to ask questions and get legal information. Law Librarians are usually available to chat Monday-Thursday 8-5 and Friday 8-4, except holidays.
